Amendments to the Claims

This listing of claims replaces all prior versions, and listings, of claims in the application:

Claim 1 (Currently amended): 1. A formulation for suppressing and killing mold which provides for air borne administration by use of a fogger device comprising:

(a) an active mold suppressing ingredient selected from the group consisting of a citrus fruit seed extract, a citrus fruit skin extract, oregano extract, oregano oil, lemon grass extract, olive leaf extract, and lavender extract; and

(b) a carrier which has been formulated to provide for the airborne administration, in a flash evaporation process, of said active ingredient as a fog, through the use of ~~using~~ a fogging device.

Claim 2 (Original): 2. The formulation for suppressing and killing mold of Claim 1 wherein the citrus fruit seed extract is selected from the group of citrus fruit consisting of grapefruit, lemons, limes, and tangerines.

Claim 3 (Original): 3. The formulation for suppressing and killing mold of Claim 2 wherein the citrus fruit seed extract is grapefruit seed extract.
